Dear Mrs. Bowlsby:

There will be a story in the newspaper soon which will come as something of a shock to you, I suspect. I hope you read this letter before the story. But whether you do or not, you will know that I am writing before the story is printed.

On January 26 I am leaving my position with the Scott County Library to take a similar one with the Prince George's County Memorial Library, Hyattsville, Maryland. Whoever replaces me will, I am sure, do everything possible to help you in your efforts to serve your community through the library. I doubt that it will be possible to have a new person on the job by the time I leave, but your requests will be taken care of at headquarters just as always. It's been slow, sometimes, I know; but we try to do our best.

Sincerely,

Elizabeth B. Hage
Librarian
